

Attention Spans
Are Short.
Quit Talking.

Declining Attention Spans

In 2000, the average attention span of a corporate executive was **12 seconds**.

Today it's **8.25** seconds.

That's a **30%** decrease!

Jigsaw Lets You Capture & Keep Your Prospects Attention

“The questions you ask
are more important than
the things you could ever
say”

Thomas Freese

“It’s not about having the
right opportunities. It’s
about handling the
opportunities right.”

Mark Hunter

“Luck is where
preparation meets
opportunity.”

Dwight Eisenhower
